Please briefly present the partner organisation.	<p>Ondokuz Mayıs University (OMU) is a well-established local state university. It was founded in 1975 to contribute to and bring a new breath to the Black Sea region's economic, cultural, and social life. The University's mission is to adopt universal values to bring innovation to benefit individuals and society, working with intellectual rigour. The university has schools in the City of Samsun and 7 other counties. The main campus is in Samsun, a coastal and harbour city situated on the border of the Black Sea.</p> <p>The University gives great importance to science, education and research and is one of Turkiye's strongest research and teaching institutions.
