

YOUTH EXCHANGE

*Culture and Sustainability: Youth in
Action for a Better Future*

Erasmus project
2024-3-IT03-KA152-YOU-000288806

SUMMARY

We want to address the problems of youth unemployment, unsustainable urban growth and irresponsible consumption in our communities by promoting sustainable tourism that enhances our traditions, nature and art.

Our goal is to create job opportunities in sustainable tourism, provide young people with the necessary skills and encourage responsible consumption and production that respects the environment and our cultural heritage.
